STATEMENT OF OBJECTS AND REASONS

I

Act 7 of 1957.— Not available.

II

Amending Act 25 of 1958.—At the time when the Mysore Khadi and Village Industries Bill was introduced in the Legislative Assembly, the corresponding Board at the Centre known as the All India Khadi and Village Industries Board, was in existence. The All India Khadi and Village Industries Board has since been made a statutory body and is known as the Khadi and Village Industries Commission. As the Mysore State Khadi and Village Industries Act makes a reference to the All India Khadi and Village Industries Board, a few verbal changes are found necessary in the Act so as to incorporate in the State Act the expression 'Khadi and Village Industries Commission' wherever the expression 'All India Khadi and Village Industries Board' appears.

Hence the Bill.

(Notification No. LC 272 dated 1st May 1958. Obtained from file No. LAW 2 LGN 57.)

III

Amending Act 9 of 1973.—The Khadi and Village Industries Commission, Bombay, has been requesting the State Government to appoint a Financial Adviser and Chief Accounts Officer preferably from the Indian Audit and Accounts Service Cadre in the Mysore State Khadi and Village Industries Board. The appointment of such an officer is necessary for the proper maintenance of the accounts of the Board. A Financial Adviser and Chief Accounts Officer has been appointed in the Khadi Boards of many other States. Under section 9 (2) of the Mysore Khadi and Village Industries Act, 1956 there is provision only for the appointment of an Accounts Officer by the State Government from among its officers. The proposed amendment to the Act is to facilitate the appointment of a Financial Adviser and Chief Accounts Officer from among the officers of either the Central Government or the State Government. It is proposed to provide for this by suitable amendments to sections 9 and 31 (2) (i) of the Act.

2. The Khadi and Village Industries Commission grants loans to the State Board which in turn advances funds to registered institutions. There is no provision in the Act to recover the dues as arrears of land revenue. The Commission has suggested that provision be made in the Act for this purpose as has been done in the Bombay Khadi and Village Industries Act. The Bill proposes to provide for this by insertion of a new section 22A to the Act.

3. (i) The Khadi and Village Industries Commission advances funds by way of grant and loans to the State Khadi and Village Industries Boards for implementation of the Khadi and Village Industries programme in the States. These advances are made in the bona fide belief that

the State Boards being creations of the State Legislature are the responsibility of the State Government and as such the advances made by the Commission to the State Boards which are deemed to have the full financial backing of the State Governments are as secure as advances made to the State Government.

(ii) As a result of the situation arising out of the recent dissolution of the Orissa Khadi and Village Industries Board, the Khadi and Village Industries Commission desires the State Government to ensure the security of the funds advanced by the Commission to the Mysore Board for the development of Khadi and Village Industries in this State.

(iii) The Khadi and Village Industries Commission is a service agency assisting the State Board in developing Khadi and various Village Industries in the State and the Commission, therefore, desires that the funds advanced by them to the State Board may be made secure for continuing development of the industries in the State. The Commission has also intimated that the Government of West Bengal have recently decided to incorporate appropriate provisions in their Act, for this purpose.

(iv) The Bill proposes to provide for this in the Mysore Khadi and Village Industries Act, 1956 by insertion of new section 30A in the Act.

4. The Committee on Subordinate Legislation recommended in its VII Report that the Mysore Khadi and Village Industries Act, 1956 may be amended making provisions for laying before the Legislature the rules framed under the Mysore Khadi and Village Industries Act, 1956. Under the existing Act; there is no such provision to place the rules before each House of the State Legislature.

In the Andhra Pradesh, Tamilnadu and Bombay Khadi and Village Industries Acts, there is a provision to place the rules issued under the Acts before their State Legislatures. Besides in the Khadi and Village Industries Commission Act 1956, there is a provision to place all the rules issued under that Act before both Houses of Parliament.

It is proposed to make similar provision in the Mysore Act by adding sub-section (3) to section 31 of the Act.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 19-10-1972, as No. 415, at page. 5-6.)

IV

Amending Act 16 of 1978.—There is no provision in the Act for grant of leave to the Chairman and for making in-charge arrangement during the leave period. It is considered necessary to provide for the same.

According to the existing provision, the State Government can appoint upto 15 Members on the Board, which will no doubt, become unwieldy. It was considered necessary to restrict the maximum number to nine.

Power is being taken to prescribe the term of office and conditions of service of the Chairman and Members.

Provisions are made for filling up of casual vacancies and empowering the Board to raise loans from Banks.

As the Karnataka Legislative Council was not in Session and as the matter was urgent an Ordinance was promulgated. This Bill seeks to replace the said Ordinance. (Notification LA 14/1978. Obtained from file No. LAW 23 LGN 78.)

V

Amending Act 21 of 1983.—A decision was taken to extend pensionary benefits to employees of the Karnataka State Khadi and Village Industries Board by making necessary rules with retrospective effect. As there was no provision in the Act enabling the Government to make rules with retrospective effect and the matter was urgent, an Ordinance was issued. This Bill seeks to replace the said Ordinance.

(Published in the Karnataka Gazette (Extraordinary) Part IV-2A, dated 11-8- 1983, as No. 708, at page 10.)

VI

Amending Act 8 of 1985.—The activities and financial transactions of the Karnataka Khadi and Village Industries Board have steadily increased since its inception. Government is giving large amounts to the Board by way of grant-in-aid. With a view to enable the Board to cope up with its extended activities and to organise, develop and regulate Khadi and Village Industries in the State more effectively, it is considered necessary to appropriately broad-base the Board and to introduce other changes in its constitution and organisation by making necessary changes in the Karnataka Khadi and Village Industries Act, 1956.

As the matter was of an urgent importance, the Karnataka Khadi and Village Industries (Amendment) Ordinance, 1985 (Karnataka Ordinance No. 4 of 1985) was promulgated.

This Bill seeks to replace the said Ordinance.

Hence the Bill.

(Notification LA No. 15/1985. Obtained from file No. LAW 16 LGN 85.)

VII

Amending Act 18 of 2009.- Under Section 22-A of Karnataka Khadi and Village Industries Act, 1956, there is a provision for the defaulters of loan sanctioned by the Karnataka Khadi and Village Industries Board under various schemes to approach the Tribunal constituted by the State Government, if the question arises, as to whether a sum is payable to the Board is under dispute which is causing delay in recovery of loan. Hence, suitable amendments to the Karnataka Khadi and Village Industries Act, 1956 has been proposed.

Hence the Bill.

(LA Bill No. 29 of 2009, File No. DPAL 11 Shasana 2007)

[Entry 24 and 32 of List II of the Seventh Schedule to the Constitution of India.]

VII

Amending Act 32 of 2021.- It is considered necessary to amend the Karnataka Khadi and Village Industries Act, 1956 (Karnataka Act 7 of 1957) to reduce the number of non-official Members of the Board of Directors, from one person from each district of the state to twelve non-official members, three persons from each revenue region, but not more than one from the same district, so as to reduce the financial burden and to carry out efficient and subject based discussions in the meetings.

Hence the Bill.
