STATEMENT OF OBJECTS AND REASONS

Act 24 of 1989.- It is considered necessary to amend the Registration Act as a large number of documents which could have been registered in the State, are being got registered before the Registrars of Presidency Towns under Section 30 of the Registration Act, thereby causing leakage of revenue. Further, documents which could not have been registered in this State on account of their registration being specifically barred under notification issued under section 22A of the Registration Act, are being got registered outside the State thereby flouting public policy.

Hence this Bill.

(Obtained from L.A. Bill No. 9 of 1987.)
