such other place with in the jurisdiction as the Legal Metrology Officer may specify in this behalf on or before the date on which the verification falls due:

Provided that where any weight or measure is such that, it cannot be moved from its location, the person using such weight or measure shall report to the Legal Metrology Officer at least thirty days in advance of the date on which the verification falls due.

(2) Where any weight or measure is such that it cannot be moved from it's location, Legal Metrology Officer shall take necessary steps for the verification of such weight or measure at the place of its location.

(3) For the verification of weight or measure referred to in sub-rule (2) the user shall provide such facilities as may be specified by the Controller by general or special order.

(4) Every weight or measure presented for verification shall be complete in specifications as laid down under rule 11, 12, 13 and 14 of Legal Metrology (General) Rules, 2011.

(5) Every weight or measure shall be verified in a clean condition, and if necessary, the Legal Metrology Officer shall require the owner or user to make necessary arrangement for the purpose.

(6) A Legal Metrology Officer may visit, as frequently as possible during the period specified in rule 27 of Legal Metrology (General) rules 2011, every premise within the local limits of his jurisdiction to inspect and test any weight or measure which is being or is intended or likely to be used in any transaction or for protection.

(7) The legal metrology officer shall obliterate the stamp on any weight or measure, if it is found during inspection that:- (a) any weight or measure which being due for re-verification has not been submitted for such re-verification or (b) any weight or measure which does not conform to the Standards established by or under the Act.

Provided that where the legal metrology officer is of opinion that the defect or error in such weight or measure is not such as to require immediate obliteration of the stamp, he shall inform the user in the form specified in Schedule XI by the Controller, of the defect or error found in the weight or measure and call upon the user to remove the defect or error within such time, not exceeding eight days and shall

(i) if user fails to remove the defect or error within that period, obliterate the stamp, or

(ii) if the defect or error is so removed as to make the weight or measure conform to the standards established by or under the Act, verify and stamp such weight or measure.

Explanation: The obliteration of the stamp on any weight or measure shall not take, away or abridge the power of the legal metrology officer to seize such weight or measure in accordance with the provisions of the Act.

(8) (a) The Legal Metrology Officer shall stamp every weight or measure, if after testing with duly verified stamped working standards and it's verification, he is satisfied that such weight or measure conforms to the standards established by or under the Act, with a stamp of uniform design, issued by the Controller, which shall indicate the number allotted for administrative purpose to the Legal Metrology Officer by whom it is stamped.

Provided that if by reason of the size or nature of any weight or measure, it is not desirable or practicable to put a stamp thereon, the Legal Metrology Officer shall take such action as may be directed by the controller by a general or a special order in writing.

(b) The Legal Metrology Officer shall also mark the year and its quarter of stamping on every verified weight or measure except when the size or nature of such weight or measure makes it impracticable.

Explanation.— A year shall be deemed to consist of four quarters of which first quarter shall be of the months of January, February and March which shall be marked as “A” second quarter shall be of the months of April, May and June which shall be marked as “B” third quarter shall be of the months of July, August and September which shall be marked as “C” and fourth quarter shall be of the months of October, November and December which shall be marked as “D”.

(c) On completion of verification and stamping the Legal Metrology Officer shall issue a certificate of verification in the form set out in Schedule VIII.

(d) Where a certificate of verification is lost or destroyed, the holder of the certificate of verification shall forthwith apply to the Legal Metrology Officer who had issued the certificate, for the issue of a duplicate certificate, of verification. Every such application for the issue of a duplicate certificate shall be accompanied by a fee of rupees ten as specified in Schedule VIII(A).

(e) On receipt of an application under clause (d) of sub-rule (8), the Legal Metrology Officer shall issue to the applicant a duplicate copy of the certificate of verification marked ‘DUPLICATE’.

(9) (a) Fees payable for verification and stamping of weight or measure at the office or camp office of the Legal Metrology Officer shall be as specified in Schedule IX. But the maximum fees shall not exceed Rs.5,000/- as specified under Schedule XII of rule 25 of Legal Metrology (General) Rules 2011.

(b) If, at the request of the user of weight or measure, verification is done at any premises other than the office or camp office of the Legal Metrology Officer, the user of the weight or measure shall pay the expenses incurred by the Legal Metrology Officer for visiting the premises including the cost of transporting and handling the Working Standard and other equipment subject to a minimum of rupees one hundred or actuals.

(c) Full fee shall be payable for re-stamping any weight or measure held in stock with manufacturer or dealer within the period specified, in rule 27 of Legal Metrology (General) Rules 2011 from the date on which it was last stamped, provided that the original stamp was not obliterated

(d) A weight or measure which on verification/inspection is found to be incorrect shall be returned to the person concerned for adjustment informing him, in a proforma specified by the Controller, of the defects found in the weight or measure, and calling upon him to remove the defects within a period not exceeding seven days. When the necessary adjustment has been carried out, such weight or measure shall be verified on payment of the fees specified in schedule IX and if found correct shall be stamped.

10(a) Before commencing the work of verification or re-verification, the Legal Metrology Officer shall inform the person concerned of the fees payable by him and shall receive the

same in the manner as authorized by the controller and issue a receipt in the form approved by the Controller, one copy of such receipt being kept on record.

Provided that, fees payable by a department of the Central or State Government under these rules may be realized in such manner as may be directed by the Controller.

(b) The Legal Metrology Officer shall maintain a register, in the form approved by the Controller, which shall be written up from day-to-day and shall show the amount of fees and other charges collected during the day.

(c) All payment received by the Legal Metrology Officer during the week shall be paid into the Government Treasury under the appropriate "Head of Account" on such dates or days as may be specified by the Controller from time to time, and a receipt thereof be obtained and an intimation to that effect be sent to the Controller or other officer authorized by him in this behalf.

(11) Where a verified weight or measure has been repaired, whether by a licenced repairer or by the person owning and possessing the same, such weight or measure shall not be put into use unless it has been duly re-verified and stamped, notwithstanding that periodical re-verification of such weight or measure has not become due.

12(a) Every person using a beam scale in any transactions in his premises shall suspend the same to a stand or to a chain by a hook:

Provided that, this sub-rule shall not apply to itinerant vendors.

(b) Every weight or measure shall be used in a clean condition and in proper lighting arrangement

(c) Any weight or measure, which has been verified and stamped in situ, shall not be dismantled and removed from its original site without prior intimation to the Controller or other person authorized by him in this behalf.

(d) To ensure a proper check of the accuracy of a weighing instrument the user shall keep at the site of each weighing instrument duly verified and stamped weights equal to one-tenth of the capacity of the instrument or one tonne whichever is less and consumer can also check the accuracy of the weighing instrument.

Provided that the Controller may specify the total number of verified and stamped weights to be maintained in trade premises where the number of weighing instruments are more than one.

(e) To ensure proper delivery of the petrol / diesel pumps, the retail dealer of the pump shall keep a verified 5 litre/10litre capacity measure in his premises and check the out put from the pump every day to ensure its correct delivery. In case of any short delivery the dealer shall stop the delivery through the pump immediately and inform the legal metrology officer concerned to recalibrate the pump and "shall display the board in the premises with the following words "to ensure the correct delivery a verified five litre measure is available to consumers".

(13) The person to whom a certificate of verification is issued shall exhibit the same in a conspicuous place in the premises where the weights, measures or weighing or measuring instruments to which the certificate relates are used:

Provided that in the case of itinerant vendor, the certificate shall be kept with the person.

Provided further that in the case of vehicle tank, the certificate of verification shall be kept with the vehicle.

5. Disposal of seized weights, measures, etc. -(1) Any un-verified weight or measure shall be returned to the person from whom such weight or measure was seized if that person gets the same verified and stamped, within fifteen days of the return, on payment of the fee payable for undertaking re-verification, after the expiry of the validity of the stamp.

(2) Any weight or measure or document or thing or goods seized and detained under sections 15 of the Act, which is to be the subject of proceedings in a court shall be produced before the court by the legal metrology officer, he shall after the conclusion of the proceedings, be taken possession of by the legal metrology officer and dealt with in accordance with the orders of the court:

Provided that in the absence of the orders of the court, weight or measure or document or thing or goods shall be deal with as the controller may by special order direct and the material thereof shall be sold and the proceeds thereof shall be credited to the Government.

(3) If any goods seized under sections 15 of the Act, are subject to speedy or natural decay, the legal metrology officer shall have the goods weighed or measured on a verified weighing or measuring instrument available with him or nearest the place of offence and enter the actual weight or measure of the goods in a form specified by the controller for this purposes, and shall obtain the signature of the trader or his agent or such other person who has committed the offence. The goods in question shall be returned to the trader or the purchaser as the case may be:

Provided that if the trader or his agent or the other person (who has committed the offence) refuses to sign the form, the legal metrology officer shall obtain the signature of not less than two persons present at the time of such refusal by the trader or his agent or other person. In the case of goods returned to the traders he shall give an undertaking that he shall not sell the defective goods without rectifying the defects thereon.

(4) Where the goods seized under sub-section (1) of Section 15 of the Act are contained in a package and the package is false or does not conform to the provisions of the Act or any rules made there under and the goods in such package are subject to speedy or natural decay, the legal metrology officer may dispose of the goods in such package in accordance with the provisions of sub-rule (3) above.

Provided that the Legal Metrology Officer shall be the final authority to decide whether the goods seized and detained are subject to speedy or natural decay.

(5) Where the goods seized under sub-section (1) of Section 15 of the Act are not subject to speedy or natural decay, the legal metrology officer may retain the package for the purpose of prosecution under this Act after giving the trader or his agent or the other person (who has committed the offence) a notice of such seizure.

(6) The goods referred under sub-rule (4) and (5) which are not to be the subject of proceedings in a court, shall after the expiry of sixty days of its seizure, be so dealt with as the Controller may by special order direct.

6. Penalty for contravention of rules.— Whoever contravenes any provision of these rules, for the contravention of which no punishment has been separately provided in the Act, shall be punished with fine, which may extend to five thousand rupees.

7. Fee for compounding of offences.— The fee for compounding of offences Committed under the Act or under these rules shall be, as specified in Schedule X.

8. Repeal and Savings:— The Karnataka standards of weights and measures (Enforcement) Rules 1988 are hereby repealed.

Provided that such repeal shall not affect,-

(a) the previous operation of the said rules or anything duly done or any action taken there under or

(b) any right, privilege, obligation or liability acquired, accrued or incurred under the said rules.
