### INSTRUCTIONS

1. The application should be submitted in duplicate to the irrigation Officer or to any officer authorised by him to receive such applications. It may be sent through a messenger, presented personally, or sent by post.

2. When order is passed, the duplicate form will be returned to the applicant endorsed with the Irrigation Officer's order.

3 No sanction will ordinarily be given for the irrigation of any land to any person other than (1) the sole occupant or all joint occupants, (2) the sole superior holder or all joint superior holders, (3) a person having the right to

carry on irrigated cultivation of the land for the period of the sanction, or (4) a person duly authorised on behalf of any of these to receive such sanction.

4. The applicant must state in para 2 of the form the nature of his interest in the land or of his authority to apply for sanction for carrying or irrigated cultivation in the land.

5. Sanction will be refused for the irrigation of any land which is found to be unsuitable for this form of irrigation.

### **CONDITIONS**

1. After an application has been sanctioned, full water rates shall be payable for the area and period sanctioned by the Irrigation Officer, whether the area is irrigated or not, provided water was available during the period. No water rate shall be charged in case of perennial crops when the applicant gives a written intimation to the Irrigation Officer within one month from the date of sanction of the application that water is not required.

2. Each type of crop (namely, sugarcane, betel leaves, ordinary perennial, two season and seasonal) shall be grown only to the extent of the sanction shown on the pass, but an equal area of any lower rated type may be substituted.

3. The area sanctioned shall not be exceeded.

4. The sanction is liable to be cancelled or the supply to any crop irrigated under the sanction is liable to be withheld or stopped entirely without notice for breach of any provision of the Karnataka Irrigation Act, 1965, or of any rule of the Karnataka Irrigation Rules, 1965, or of any of the conditions of this application.

5. Water shall be given for the whole season if available, or at the discretion of the Irrigation Officer, for as many watering as may be possible.

6. Full water supply is not guaranteed but an intimation of the possibility of a shortage of water during the season for which application is made shall be given at the earliest date possible.

7. Water for any area of sugarcane sanctioned is subject to the condition that water is liable to be withheld from new sugarcane area after 31<sup>st</sup> May, if necessary. Each consecutive watering after 31<sup>st</sup> May shall require the sanction of the Irrigation Officer. Such sanction shall be accorded if water is available in the irrigation work for agriculture purpose but if it is insufficient at any time of the seasons all further watering may be stopped and the irrigator shall not in that case claim compensation for any damage to the sugarcane crop due to shortage of water.
