STATEMENT OF OBJECTS AND REASONS

(As appended to at the time of introduction)

Economic Administration Reforms Commission and the National Commission on Urbanisation have recommended reform of the Rent Legislation in a way that balances the interests of both landlord and the tenant and also stimulates future construction. The Government of India have formulated a model rent control law and recommended to the State Governments to undertake amendments to existing rent control laws or enact new laws on the basis of the model law.

It is considered necessary and expedient to bring about a new legislation to provide for regulation of rent and eviction in the spirit of modern economy in a manner more suited to our State, by adopting some provisions of the model rent control law and some of the existing law of Rent Control in the state. Therefore it is proposed to enact new legislation to replace the existing Karnataka Rent Control Act, 1961, which is due to expire by 31.12.1999.

Following are some of the features of the proposed measure.

- (1) Its application is now restricted , -
 - (i) to any residential building the Standard rent of which does not exceed rupees 3,500 per month in the areas covered by Karnataka Municipal Corporation Act, 1976 and rupees 2,000 per month in other areas and a commercial building having plinth area of not exceeding 14 square meter.
 - (ii) to buildings which are more than 15 years old.
- (2) The Rent Deed is required to be in writing and registered.
- (3) Tenancy is made inheritable to a limited extent.

- (4) Provision is made,-
- (a) for collection of standard rent in relation to the investment on property and for enhancement of rent, and for determination of Standard Rent by Rent Controllers;
 - (b) for registration of middlemen and estate agents;
 - (c) for adjudication of eviction application by Rent Courts, with only Right of Revision, but no appeal;
 - (d) for immediate eviction of tenants of State or Central Government Employees, members of Armed Forces, widows, handicapped persons and persons above the age of 65 years under certain circumstances;
 - (e) to laydown Special Procedure for trial of cases before the controllers and also the Courts so as to achieve quick disposals and negotiated settlement.
 - (f) to impose certain Special obligations on the landlords and tenants, etc.

Certain other necessary consequential and incidental provisions are also made.

Hence the Bill.
